- Dilute 1:1 with water to refill the spray
- Removes tough stains fast, grease & oil
- Ideal for cleaning before painting

Zinsser Multi-Surface Degreaser & Cleaner Concentrate

DESCRIPTION

ZINSSER® MULTI-SURFACE DEGREASER & CLEANER is a water-based detergent that is colour fast, fabric safe and removes tough stains effectively from many surfaces. Perfect for preparing surfaces before painting.

Perfect for preparing surfaces before painting, also great for removing dried water-based paint, paint overspray, tape residue, glue and adhesive, wax, food & drink stains, bird droppings, smoke damage, tree sap, grease & oil, marker & crayon, pet stains, brake dust, fireplace soot, oxidation, lipstick, scuff marks, blood stains, sun tan oil, tar, chewing gum, soap scum, shoe polish, & more.

SUITABLE SURFACES: Windows, floors, doors, framework, tiles, sinks, showers, tools & equipment, machinery, BBQs & ovens.

ODPORÚČANÉ POUŽITIE

Before use dilute 1:1 with water. Then it can be used on tiles, grout, baths, sinks, showers, tools & equipment, machinery, driveways, BBQs & ovens, cladding (wood, vinyl, aluminium), roofing of all types (asphalt shingles, fibreglass shingles, cedar, tile), gutters, wood fences & decks, stucco, brick & cement block, masonry, concrete driveways, walkways & walls, caravans, motorhomes & boats.

Dilute 1 part to 20 parts of water to clean & degrease appliances, venetian blinds, canvas, chrome, silver, brass, copper, porcelain, plastic, fibreglass, linoleum, aluminium, vinyl, patio furniture, walls & skirting boards, stainless steel & wheels.

Dilute 1 part to 200 parts of water to clean reflective surfaces such as computer & TV screens, glass mirrors, windows, display case, crystal, lights & car finishes

NÁVOD NA POUŽITIE

Always test on an inconspicuous area first. Cover areas not to be cleaned. Never mix with other chemicals. Always wear the correct personal protective equipment; chemical resistant gloves, safety glasses with side shields and protective clothing in accordance with the instructions stated on the packaging. A separate Safety Data Sheet is available on our website or by contacting us direct. Apply directly on to the surface to be cleaned and allow to penetrate briefly. Wipe off with a clean cloth or towel. If using prior to painting, ensure any residue is thoroughly rinsed off. For older, more difficult jobs, apply a generous amount of cleaner and allow to stand for a few minutes before wiping dry. For extremely tough jobs, such as the removal of old dried paint, scrub with a brush or scouring pad and wash off with a wet rag. For engine cleaning, use on a cold, dry engine.

PODMIENKY APLIKÁCIE

Can be used in all circumstances, but do not apply in direct sunlight or in frosty conditions.

POZNÁMKY

This product may mark metal, always test on an inconspicuous area first. Do not use on varnished surfaces or leather. Do not mix the product with any other chemical. Do not empty into drains or watercourses.
