REMOVES TOUGH STAINS QUICKLY & EFFECTIVELY

- Concentrated cleaner, degreaser & stain remover
- Removes tough stains fast
- Effective against grease & oil
- Ideal for cleaning before painting

ZINSSER® Multi-Surface Degreaser & Cleaner Spray

DESCRIPTION

ZINSSER MULTI-SURFACE DEGREASER & CLEANER is a water-based detergent that is colour fast, fabric safe and removes tough stains effectively from many surfaces. Perfect for preparing surfaces before painting.

Perfect for preparing surfaces before painting, also great for removing dried water-based paint, paint overspray, tape residue, glue and adhesive, wax, food & drink stains, bird droppings, smoke damage, tree sap, grease & oil, marker & crayon, pet stains, brake dust, fireplace soot, oxidation, lipstick, scuff marks, blood stains, sun tan oil, tar, chewing gum, soap scum, shoe polish, & more.

SUITABLE SURFACES: Windows, floors, doors, framework, tiles, sinks, showers, tools & equipment, machinery, BBQs & ovens.

RECOMMENDED USE

Always test on an inconspicuous area first. Apply directly on surface to be cleaned & allow to penetrate briefly. Wipe off with a clean cloth or towel. If using product before painting, ensure any residue is thoroughly rinsed off.

For stubborn stains, apply a generous amount of cleaner & allow to stand for a few minutes before wiping dry. For extremely tough jobs, such as the removal of old dried paint, scrub with a brush or scouring pad & wash off with a wet rag. For engine cleaning, use on a cold, dry engine.

SUITABLE SURFACES – Tiles, grout, baths, sinks, showers, tools & equipment, machinery, driveways, BBQs, & ovens. Always test on an inconspicuous area first. This product may mark metal and glass; ensure to cover and protect glass or metal surfaces during cleaning of adjacent areas. Do not use on varnished surfaces or leather.

DIRECTIONS FOR USE

Always test on an inconspicuous area first. Cover areas not to be cleaned. Never mix with other chemicals. Always wear the correct personal protective equipment; chemical resistant gloves, safety glasses with side shields and protective clothing in accordance with the instructions stated on the packaging. A separate Safety Data Sheet is available on our website or by contacting us direct. Apply directly on to the surface to be cleaned and allow to penetrate briefly. Wipe off with a clean cloth or towel. If using prior to painting, ensure any residue is thoroughly rinsed off. For older, more difficult jobs, apply a generous amount of cleaner and allow to stand for a few minutes before wiping dry. For extremely tough jobs, such as the removal of old dried paint, scrub with a brush or scouring pad and wash off with a wet rag. For engine cleaning, use on a cold, dry engine.

APPLICATION CONDITIONS

Can be used in all circumstances, but do not apply in direct sunlight or in frosty conditions.

REMARKS

This product may mark metal, always test on an inconspicuous area first. Do not use on varnished surfaces or leather. Do not mix the product with any other chemical. Do not empty into drains or watercourses.
